

The Andhra Pradesh Paper Mills Limited
Unit - APPM
(An ISO 9001 & 14001 and BSiOHSAS 18001 Company)

DT: 07-07-2008

TO WHOM SOEVER IT MAY CONCERN

M/s Creative Power Engineers (P) LTD., Bangalore have carried out Erection, Testing and commissioning of electricals, including supply of miscellaneous erection materials for our Mill Development programe (MDP), covering chipper House, New Turbo Generate, Recausticisers, D.M Plant, Evaporator, Recovery Boiler, Fiber Line, Rotary Lime Kiln 02etc, in the Year 2006-07

They have a very good team of skilled workmen and experienced supervisory staff who are well versed in carrying out erection with quality and speed. We have no hesitation in recommending creative power engineers (p) ltd., for the similar works.

C.S. MURTHY
Sr. Project President (PROJECT)
